

OFFICERS ARE ASSIGNED TO THE SOUTH DAKOTA

Lieutenant J. Downes, Jr., U. S. N., who has been under treatment at the United States Naval Medical School Hospital in this city, is ordered to duty on the new armored cruiser South Dakota. Orders issued by the Navy Department place the South Dakota in commission at the Mare Island Navy Yard, California, on January 27.

The South Dakota, when commissioned, will be the newest vessel in the United States navy. It is of the heavy armored cruiser class and carries eighteen big guns. The ship has been just completed by the Union Iron Works at San Francisco.

Other officers ordered to duty on the vessel, when commissioned, are Lieut. Com. S. L. Sawyer, who will be navigating officer. He is detached from duty at the Navy Yard, New York. Lieut. C. B. Barnes, ordnance officer, who is detached from duty from the naval training station San Francisco; Lieut. E. S. Jackson and E. C. S. Parker, and Ensigns S. V. McNair, A. S. Ribbes, and C. C. Moses.

OFFICERS ARE ELECTED BY HISTORICAL SOCIETY

The Columbia Historical Society at its fourth annual meeting, held in the Snorham last night, listened to an address by Harry Bulkley on "F Street Thirty Years Ago," and also elected its officers for the ensuing year.

Justice A. B. Hagner, retired, of the District Supreme Court, was re-elected president of the association, Mrs. Mary Stevens Beal was re-elected secretary. The other officers elected were A. R. Spofford, first vice president; Justice Job Barnard, second vice president; William Henry, treasurer; M. I. Weiler, corresponding secretary; James F. Hood, curator; William A. Mearns, chronicler, and John B. Lerner and Hugh T. Faggart, managers for two years.

Reports read indicated the prosperous condition of the society; Mr. Bulkley's address gave an interesting description of the strides made along F street in a commercial way during the past thirty years.
